One Love, One Heart...

The Sugar Cane Ball is the annual fund-raising event for Hanover Charities. Through your generosity, Hanover Charities is the largest charitable organization in western Jamaica. The money raised at this event makes an enormous difference to the needy in our parish--you help provide our neighbors with reading and computer skills, offer a soup kitchen for the hungry, supply basics to the disabled and elderly, give health clinics and much more. We also support local students through the Morris-Watkins Scholarship. Last year's event raised more than US \$158,000 and we say a big thank you for sharing our love of Hanover Parish.
